Watchman Didn't Know Distinguished

LONG about the middle of the afternoon a tall, solidly built man with a small gray mustache left the elevator at the eighth floor of the Munsey building where the council of national defense and the shipping board are quartered. There was a watchman in

the hallway. "Where can I get hold of a stenogapher?" asked the visitor.

Exact Copy of Wrapper.

"The stenographers are all gone," id the watchman, carelessly. "Then get me a clerk," said the visitor, imperatively.

"Saturday half holidays have begun in government departments," said watchman. "They're all gone." The visitor brushed his way past watchman and started down the

another person stepped from the elevator. He happened to be a newspaper man and he knew the watchman. "What's the excitement?" he asked. "I've got to get that guy down the hall," said the watchman. "I told him

were all closed up, but he butted right in." "Know who he is?" asked the newspaper nfan. "N8." "That's General Goethals."

"Gosh!" cried the watchman.

A second later he was making a record sprint down the hall, in the trail of the general. Morse Code Falled. A Chinese entered the office of the Western Union Telegraph company at Evansville a few days ago and left a belegram with Ivan Bennett, the signal blerk. The yellow man said the telerram was to be sent to Chicago. Bennett hung the telegram on the hook for the operators and John Black, an sperator, got it. The telegram was written in Chinese and Black and the
